

Hard Rock Los Cabos ✨

Hard Rock Los Cabos opened in 2019, making this the newest of the resort options. It has a total of 639 guest rooms, 8 dining options, 2 pool bars and grills, 4 swim up pool bars, and 3 other bars & lounges. Nightly shows at the outdoor theatre area as well as 2 bars open until 1am. They also offer additional activities (at an additional cost) such as bowling, spa, and golf which is right across the street from the resort.

The resort is on a beautiful beach, however the water in this area is too rough to allow swimming in the area. The hotel is located about 50 minutes from the airport and 30 minutes by car to the nearest town area. So, this location will not be easily walkable to other entertainment options for guests, but I do think there is enough activity on the resort that they guests will not need to leave unless they specifically want to do an excursion or go golfing.

(if over 32 guests, additional chairs will need to be purchased)

Additional Events: These can be earned depending on the number of rooms booked into the group, or purchased if not earned. The events will include a standard set up, open bar, and food.
