- *Snorkeling* - Masks and fins free for guest use for two hours per day, it is intended for use on the property or nearby. Snorkeling from the beach out front is good depending on the weather; there is a reef about a 10-minute swim out from the beach. There are two excellent snorkeling tours (additional cost) where guests take a boat to a nearby reef for about two hours twice a day at 11:15 am and 2:15 pm, which last about two hours. The reef is very healthy and protected from ocean waves by a shallow and wide barrier reef. The guide goes in the water with the guests and shows them many creatures and features that they might not ordinarily see.
- *Fishing* - Deep-sea fishing trips are available. There are 2, 3 or 4-hour trips and the prices vary according to the number of hours with a maximum number of four passengers. For larger parties or for those interested in fishing from larger boats, we can also make the necessary arrangements.
